

Luxury Foam Wash

Date: 07.09.2010

Date of revision:

1. Identification of the substance/mixture and of the company/undertaking:

Product identifier: Luxury Foam Wash

Synonyms: 202211 - Vision200 Luxury Foam Wash - 200 ml
202221 - Vision400 Luxury Foam Wash - 400 ml
201941 - Luxury Foam Wash 400 ml (white nozzle)
201931 - Luxury Foam Wash 800 ml - Manual
201921 - Vision800 Luxury Foam Wash - 800 ml - Auto

Relevant identified uses of the substance/mixture and uses advised against:

Hand washing cleanser.

Details of the supplier of the safety data sheet:

Hygiene Vision Limited
36 Phillips Court
Water Street
Stamford
PE9 2EE. UK

Phone: +44 8700 122733

Fax: +44 1480 839153

E-mail: chris@hygienevision.com

Emergency telephone number: +44 7545 429399.

The UK National Poisons Emergency number: +44 870 600 6266.

2. Hazards identification:

Classification of the substance or mixture:

Label elements:

Symbol(s): None.

R-phrases: None.

S-phrases: None.

Other hazards: No data given.

3. Composition/information on ingredients:

Chemical nature: Mixture of water, perfume, surfactants and moisturisers.

This product does not contain any classified substances according to current EU-directives.

4. First Aid measures:

Description of first aid measures:

- Generally:** If in doubt, or when symptoms persist, seek medical attention. Never give anything by mouth to an unconscious person.
- Eye contact:** Flush with plenty of water for several minutes, keeping eyelids open. If symptoms persists consult a doctor.
- Skin contact:** The product is designed for washing of hands and should be washed thoroughly away before drying. Wash skin with water to remove any residue before drying. Remove contaminated clothing and launder before reuse. If symptoms develop seek medical attention.
- Ingestion:** Unlikely to occur if used as directed. Rinse mouth. Do NOT induce vomiting. If symptoms persists consult a doctor.

Most important symptoms and effects, both acute and delayed:

- Inhalation:** No data given.
- Eye contact:** No data given.
- Skin Contact:** No data given.
- Ingestion:** No data given.

Indication of any immediate medical attention and special treatment needed:

No data given.

5. Fire fighting measures:

Extinguishing media:

The product is not flammable. Use powder, CO₂, water or foam.

Special hazards arising from the substance/mixture:

The outer packaging may generate fumes and carbon monoxide during fire.

Advice for fire fighters:

Wear suitable protective equipment including self-contained breathing apparatus.

6. Accidental release measures:

Personal precautions, protective equipment and emergency procedures:

Wear protective equipment, see section 8. CAUTION! - Surfaces contaminated with the product will become slippery. Keep unprotected persons away.

Environmental precautions:

Do not allow undiluted product or large quantities of it to reach ground water, water bodies or sewage system.

Methods and material for containment and cleaning up:

Absorb liquid with liquid binding material such as sand, universal binders or sawdust.

Large spills: Absorb liquid with liquid binding material such as, sand, universal binders, sawdust. The mixture is then collected into suitable containers for disposal.

Reference to other sections:

For disposal, see section 13.

Luxury Foam Wash

7. Handling and storage:

Precautions for safe handling:

No special handling required.

Conditions for safe storage, including any incompatibilities:

Store product in a cool and dry place. Store above freezing temperature.

Specific end use(s):

No data given.

8. Exposure controls/personal protection:

Engineering controls: Provide for eye wash station.

Control parameters: **Occupational exposure limits - EH40/2005:**

8hr TWA:

15min STEL:

None.

Exposure controls/personal protection:

Respiratory protection: Not required.

Hand protection: Not required when used as directed.

Eye/face protection: Not required when used as directed.

Skin protection: Not required when used as directed.

9. Physical and chemical properties:

General information:

Appearance: Liquid
Colour: Clear
Odour: Light pleasant perfume

Information on chemical properties:

Boiling point: > 100 °C
pH-value: 6,0 - 6,5
Density: 1,01 = / - 0,005
Viscosity: ca. 60 cp
Solubility: Soluble in water

Other information: No data given.

10. Stability and reactivity:

Reactivity: No data given.
Chemical stability: Stable under recommended storage conditions. Will not decompose if stored as recommended.
Conditions to avoid: Do not allow product to freeze.
Incompatible materials: Oxidising agents and strong acids.
Hazardous decomposition products: No data given.
Possibility of hazardous reactions: No dangerous reactions known.

Luxury Foam Wash

11. Toxicological effects:

Information on toxicological effects:

Acute toxicity: Based on the ingredients in this preparation this product meets the criteria of the European Directive for Cosmetics 76/768/EEC - non-toxic, non-irritant.

Inhalation: No data given.

Eye contact: No data given.

Skin Contact: No data given.

Ingestion: No data given.

12. Ecological information:

Toxicity: The product is not considered as environmentally harmful.

Mobility in soil: No data given.

Persistence and degradability: No data given.

Bioaccumulative potential: This material is unlikely to accumulate in the environment and environmental problems during normal use and normal conditions are unexpected.

Results of PBT and vPvB assessment: No data given.

Other adverse effects: No data given.

Environmental precautions:

Do not allow undiluted product or large quantities of it to reach ground water, water bodies or sewage system.

13. Disposal considerations:

Waste treatment methods:

Material should be disposed of in accordance with local and National regulations via a licensed waste contractor.

14. Transport information:

Not dangerous goods.

15. Regulatory information:

Safety, health and environmental regulation/legislation specific for the substance or mixture:

Note council directive 94/33/EC on the protection of young people at work.

Chemical safety assessment:

No data given.

16. Other information:

Text for R-phrases in section 3:

None

Text for H-phrases in section 3:

None
